Hi, Sue. 'Just wanted to keep you in the loop regarding the Bianco matter. Their consultant did a site visit Wednesday. We received photos from them today (see attached). The photos were taken from the same location and in the same order as those attached to Travis' field inspection record. I'd be interested in hearing your thoughts after you've had a chance to look at the photos. Thanks!

Good morning all;

I am just sending along the photo log for now; I want to review the datasheets. As soon as I get a map, I will send that along as well.

Thank you, and please let me know if there are any questions regarding the photo log.

11 will not work for me. I could do 10.

I am out this afternoon.

Jason: This is to follow up on my voice mail this morning. I was wondering if you would have time today to give Monica and me a brief update on the site visit to the Biancos' property this week and discuss the consent order. Today I have multiple meetings but could do 11:00 to 11:30 this morning.

Thank you.
